

Application for Technical Assistance

Thank you for your commitment to improving our community through evidence informed programming! Upstream provides technical assistance at no cost to agencies that intend to apply for placement on the Portfolio of Model Upstream Programs. Please complete the following to help us understand your readiness for technical assistance. Return completed applications to: Upstream@schsd.org or mail to 490 Mendocino Ave, Santa Rosa, CA 95401.

1. Agency name _____

a. Has your organization submitted an Upstream Investments Resolution of Alignment?

Yes No

2. Program name _____

3. Name of person responsible for Portfolio application _____

a. Title _____

b. Phone number _____

c. Email _____

d. Is your agency working with an external consultant to complete this application?

Yes No

e. Have you and/or others in your agency attended an Upstream workshop? Yes No

f. If not are you willing to attend an Upstream workshop? Yes No

Please list the workshops attended, date(s) and staff persons that attended:

Date	Topic	Staff Person

4. Please provide a brief description of the program for which you will be developing a Portfolio application. Describe the outcomes that the program is intended to achieve and how the program is prevention focused. Outcomes should be described as ***changes that will occur for the program participant because of the intervention.***

5. Please provide physical addresses for all service sites. If the program is implemented in clients' homes please indicate this and provide a list of cities you currently provide services in.

Street Address	City	Zip Code

6. Identify if the program is currently implemented in any of the highest priority areas identified in [The Portrait of Sonoma](#). A map and list of priority areas are available on pages 104 -5 of [The Portrait](#).

- Rohnert Park A Section East Cloverdale Roseland Creek
- West End West Junior College Sheppard
- Fetters Springs/Agua Caliente West Roseland Bicentennial Park

7. Identify all supervisorial districts where the program is currently implemented.

- 1st District 2nd District 3rd District
- 4th District 5th District

8. Why is applying this program to the Upstream Portfolio a priority for your agency?

9. The amount of time it takes to complete a Portfolio application ranges from 5 to 80 hours. We ask that organizations applying for technical assistance commit to completing their application in 6 months or less. Please indicate how many hours of staff time you can devote to the application each week and your anticipated completion date.
